Quick guide to waste sorting

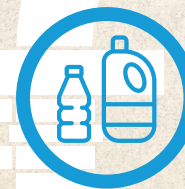

PAPER AND CARDBOARD

✓ WHAT TO THROW IN

Newspapers, magazines, books, notebooks, continuous forms, food product boxes, cardboard packaging (folded and flattened), Tetrapak containers (e.g., for milk, juice, cream, etc.) without plastic parts or residues.

✗ WHAT NOT TO THROW IN

Paper with glue residues, laminated paper, carbonless or chemical paper, paper plates and cups, greasy containers or other types of material.

PLASTIC AND METAL PACKAGING

✓ WHAT TO THROW IN

PLASTIC: all objects used for packaging, such as plastic bottles, jugs, and flasks, as well as packaging like bags, plastic wrap, trays, plastic plates and cups, polystyrene trays and packaging, hangers.

METALS: cans, tins, aluminum food trays, non-flammable spray cans, metal caps, lids, and bottle tops.

✗ WHAT NOT TO THROW IN

Toys, plastic cutlery, metal objects or parts, syringes, coffee capsules, containers with residues or hazardous waste.

GLASS

✓ WHAT TO THROW IN

Glass bottles, glass jars.

✗ WHAT NOT TO THROW IN

Ceramics, porcelain, lightbulbs, metals, Pyrex trays, plates, cups.

ORGANIC WASTE

To be disposed of in well-sealed compostable bags.

✓ WHAT TO THROW IN

Food scraps, meat, fish, cured meats, cheese, bread, pasta, rice, fruits, vegetables, peels, coffee grounds, tea bags, flowers, small plants, paper tissues and napkins, ash.

✗ WHAT NOT TO THROW IN

Diapers, sanitary pads, liquids, rags, vacuum cleaner bags, metals, glass, plastic, medicines, vegetable oils, painted wood.

GREEN WASTE

✓ WHAT TO THROW IN

Twigs, hedge trimmings, leaves, grass clippings, plant waste and garden cleaning residues.

✗ WHAT NOT TO THROW IN

Plastic bags or any waste other than those listed above.

Green waste from private gardens can be collected for free at home by reservation. To use the service, you must purchase a bin compatible with our collection vehicles, available in various sizes (120 liters, 240 liters, 360 liters). Loose green waste will not be collected. Alternatively, it can be deposited in street containers or recycling centers. Users of this service are entitled to a 5% reduction in the waste tax (TARI). Customized collection services with mechanical arm are also available after a site inspection. For information or a quote: info@valoreambientesrl.it or call the toll-free number 800 748 746.

HOME COMPOSTING

A free composter is available to those who choose home composting.

Furthermore, households participating in the initiative receive a 20% reduction in TARI.

RESIDUAL WASTE

✓ WHAT TO THROW IN

Laminated or dirty paper, audio and video tapes, diapers and sanitary pads, vacuum cleaner dust, small pieces of ceramics and porcelain, nylon stockings, incandescent bulbs and plastic cutlery, toothbrushes, disposable razors, cigarette butts, sponges, pens, and markers.

✗ WHAT NOT TO THROW IN

Any recyclable waste.

BULKY WASTE COLLECTION AT HOME

For bulky waste such as furniture, appliances, computers, and durable goods, home collection can be booked by calling 800 748 746.

A maximum of 5 items will be collected every two months.

USED CLOTHING

Can be dropped off at recycling centers.

USED BATTERIES AND EXPIRED MEDICINES

Must be disposed of in gray roadside containers, pharmacies, or recycling centers.

ASBESTOS

Asbestos collection is a paid service borne by the requester.
